

**Parent Teacher Organization
Field Day Sign-Up Sheet
June 7, 2024**

Dear Parents and Caregivers,

We are happy to announce that the Parent Teacher Organization, in collaboration with the teachers of H.D. Cooke Elementary School is organizing an exciting Field Day on June 7th. This event will offer a day filled with fun activities across various stations, on the school premises. To ensure every child's enjoyment, there are two scheduled sessions: a morning session for PK-2nd grade and an afternoon session for 3-5 grades.

To make this Field Day a great experience, we need volunteers to assist with supervising the activity stations and to grill the school provided hot dogs and veggie burgers. If the station session time frames do not work for you, there is always a need for setting up and taking down the venue. The activity session volunteers are critical however.

Please take a moment to check your availability to volunteer and sign up for a time slot that works best for you.
